<http://homepages.rootsweb.com/~hornbeck/disease.htm>.**Notes**

William filed a Declaration of Intention in the Circuit Court of Wisconsin on 6 Nov 1848. It reads as follows ...

State of Wisconsin
Racine County

WILLIAM MCKILLIP Personally appeared before the subscriber, the Clerk of the Circuit Court of the State of Wisconsin in and for said county, being a court of record, and made oath that he was born in IRELAND on or about the year EIGHTEEN hundred and NINETEEN and that he emigrated to the United States, and landed at the Port of BOSTON on or about the month of OCTOBER in the year eighteen hundred and FORTY TWO that it is bona fide his intention to become a citizen of the United States, and to renounce forever all allegiance and fidelity to any foreign prince, potentate, state or sovereignty whatever, and particularly to VICTORIA QUEEN OF GREAT BRITIAN & IRELAND whereof he is a subject.

Subscribed and Sworn to, the 6TH day of NOV A.D. 1848.

/s/ William McKillip

/s/ Isaiah G. Parker, Depy Clerk

In the 1850 Kenosha County WI census, William is listed as head-of-household. The Scott family is listed in the same house. Samuel Scott's occupation is given as "Accountant." Perhaps he works in William's grocery store.

There is also a 24 year-old woman named Margaret Hunt living in the house. She is two years younger than Bridget and was born in Ireland. Could she be Bridget's sister?

In the 1860 Kenosha County WI census, William states he has \$2000 value in real estate and \$500 in personal worth. I would assume the real estate is his store at Park and Main in Kenosha.

William's grocery business is listed in both the 1858 and 1861 Kenosha City Business Directories.

The 1858 listing reads: "McKillip, William, grocer, Park n Main, h same"

The 1861 listing reads: "McKilliss William, groceries, provisions and crockery, Park"

Bridget appeared in Kenosha County Probate Court on 22 Mar 1864 and gave this testimony ...

In Probate Kenosha County Court

To the judge of said court

The petition of Bridget McKillip of the City and county of Kenosha respectfully represents that William McKillip died intestate on the 17th day of March A.D. 1864 at his residence in the city of Kenosha, that he left personal property to the probate amount of \$300 and four six minor children under the age of 14 yrs who reside with your petitioner their mother and the widow of the said deceased viz:

Mary Ann aged 13 July 13th 1863

Dennis K " 11 Sept 15th "

Sarah " 9 " 26 "

John " 7 " 13 "

William " 4 Nov. 4 "

and Thomas R " 2 Oct. 28 1863

That the personal property of said minors does not exceed the sum of \$300 as your petitioner verily believes that it is necessary to have a guardian appointed to said minors and your petitioner therefore prays that she be appointed to said trust and she will ever pray etc

Dated Kenosha March 22nd

A.D. 1864 /s/

State of Wisconsin

Kenosha County

On this 22nd day of March 1864 before me personally appeared

The Kenosha Telegraph published William's obituary on 24 Mar 1864 as follows ...

Sudden Death. -- Wm. McKillip, an old resident of this City, died suddenly at his residence on Wednesday of last week. He was attacked with Erysipelas in the head and lived only about two hours after being taken down.

Bridget (listed as Margaret) is in the 1870 Chicago, Cook Co, IL census with her family.

Address and Phone(s)**Medical****Notes**

In the 1870 census, the head of household is Margaret and her age was 57 (ten years older than Bridget would have been). Is "Margaret" Bridget's middle name and the enumerator got her age wrong? Is the age right and this Margaret is William's unmarried sister or perhaps a sister-in-law?

In the 1880 census, Bridget is listed as a widow head-of-household. Living with her are her three sons John, William and Thomas as well as two boarders, William English and Mary Duffy. Presumably this is the same Mary Duffy with whom Thomas was enumerated in the 1870 Kenosha County, WI census.

Bridget is listed as 50 years old though she should have been around 56. Perhaps it is just a mistake by the enumerator.

Very good candiate for Bridget.

Medical

Cause of death: peritonitis

Notes

In the 1880 Cook County, IL census, Dennis was enumerated at 271 Morgan Street. In the same building and living nearby were Robert Eary (a teamster) and John McEvoy (a printer). There was also a Freter Edstron visiting during the enumeration. She was 42 and either widowed or divorced at the time. She lists New York as her birthplace but her father was from Sweden. More research is needed to determine if she related to Dennis or Mary.

Dennis is buried in Section F, Division 4, Lot 332, Location 4 1/2 N. His interment number is #34280.

On the 1870, Kenosha County, WI Federal census, house number #150 is shown as Dennis Kearney (aged 54), wife Mary and children. Could this Dennis be related to Dennis? Was Dennis named for this other Dennis? Maybe Dennis' maother Bridget is Dennis Kearney's sister. Perhaps their father was also named Dennis and William and Bridget's son is named for her father.

Notes

There was a Thomas McKillip listed with Mary Duffy in the Kenosha 1870 census (enumerated in Jul 1870) and a Thomas enumerated in Aug 1870 in Chicago with Birdget McKillip. I believe them to be the same individual who was counted twice. I believe the family moved around July 1870 and Thomas was left in the care of Mary Duffy for a short time. A Mary Duffy shows up in the 1880 census with Bridget in Chicago.

Very good candidate for Thomas.
